Govt. note the observation that sanction to Govt should have been applied for earlier if it were reported after about two months. The expenditure was Rs 5-7-8-0 and not Rs 5700 only. It is not clear how the actual expenditure was not known to the Municipality in June 48 when the first proposal was made to Govt, particularly in view of the fact that the function went off in May as it did.

Subject: Expenditure incurred by the Bangalore City Municipality in connection with Civic Reception to Hon'ble Sardar Baldev Singh, the Defence Minister to the Govt of India

SIR

Subject - Expenditure incurred by the Bangalore City Municipality in connection with Civic Reception to the Hon'ble Sardar Baldev Singh, the Defence Minister to the Government of India

---

Adverting to your letter No L 2805 dated 16-9-1948 calling for certain particulars on the above subject, I have the honour to state that a reference was made to Government in the first instance seeking sanction to the resolution of the Municipal Council for the sum of Rs 500/- allotted by them for incurring the expenditure in this connection

2 As this sum was only a probable expenditure anticipated, this was found insufficient when bills were received from the subordinate offices for the actual expenditure incurred, as detailed in the statement of account already rendered The excess expenditure of Rs 78-8-0 over the allotment of Rs 500/- sanctioned by the Municipal Council in the first instance has been subsequently sanctioned by the Managing Committee and the Municipal Council at their meetings held on 8-7-1948 and 14-8-48 respectively, copies of which have already been sent with this office letter No al 556/47-48 dated 20-8-1948 s there was a larger number of invitees who participated in the function, the expenditure under this item could not be minimised

3 I wish to state in this connection that administrative sanction will first be obtained as soon as an allotment is sanctioned by the Municipal Council which will be only an approximate expenditure and that final sanction will be obtained after the actual expenditure is known with reference to the bills preferred for legitimate

charges as the latter could not be limited to the original grant same lorea or the expenditure to be incurred on the occasions of this kind, further sanction will be found necessary for the excess expenditure if any

I request you therefore to kindly obtain sanction of Government to the resolution of the Municipal Council in the matter of excess expenditure incurred

I have the honour to be,
Sir
Your most obedient servant,

Municipal Commissioner

Forwarded with compliments

Honorary Presidency
